

January 10, 2017 - Meeting Minutes

### **AD'S Report**

Chris B. met with School Board to express concerns about apparent lack of ownership of gym design for new facility. Athletic Committee was not able to get any answers on type of floor, markings for both Basketball and Volleyball, and space and outlets for scorer's table.

### **Treasurer Report**

Budget looks good. Waiting on some known expenses to be submitted.

A gift of \$1,000 was received specifically marked for new Varsity Football Uniforms.

Cathy Kane plans to step down as treasurer at the end of this year. The new treasurer is not yet known.

### **Girls Basketball Report**

Season is up and running for 5<sup>th</sup> and 6<sup>th</sup> grade squads. No issues to report.

### **Football**

New Varsity jersey purchase was to be supplemented from Super Bowl Squares.

Participation is low at the JV level. The number of payers from Religious Ed will determine the plans for this year. If not enough players, joining the St. Francis JV may be an option.

Football registration was targeted for January in order to get accurate numbers prior to league meetings.

Spring flag football sessions are planned.

### **Old Business**

We will need to create the curriculum for basic basketball/volleyball training for PE classes and have Christy Schaeffer review. We should target the 2017/18 school year for implementation.
