

NAME \_\_\_\_\_

SCIENCE– Chapter or Unit: \_\_\_\_\_

**Required** for each chapter or unit:

-- Read each of the lessons using one of the following techniques:

- Reader’s Toolbox
- ABC Chart
- Split note taking

-- Answer questions at end of each lesson in complete sentences.

-- Complete any assigned project or oral presentation.

-- Occasional vocabulary quizzes. \_\_\_\_\_

-- Chapter Test

**Extra Credit:**

- Research, summarize, and report on any current topic.
- Video – watch and summarize.
- Complete any labs or experiments at home (with parent approval) and summarize for class.
- Demonstrate a lab or experiment for the class.
- Do any SciLinks activity and write up.
- Complete any “Go Online” activity.
- Any other activity with teacher’s approval.

(Each Extra Credit activity is worth up to 50 points. It will take two complete activities to have 100 points (an A grade) averaged into your quarter grade. Also, Fridays will be “Extra Credit Reporting Days” when you may share your work with the class.)
